

Scholarship Application Instructions

- I. Fill out all information completely. If filling out application by hand, please print clearly and legibly.
- II. Provide name and brief description of awards received during your high school career. These awards can be academic, athletic, civic, religious, etc. Use a separate sheet to list all awards.
- III. Provide name and description of service activities performed during your high school career. The service activities can be community, school, church, etc. Use a separate sheet to list all activities.
- IV. Provide job name and employer of work experience during your high school career. Provide a brief description of each job and work experience. Use a separate sheet to list all places of employment.
- V. Provide a description of your financial needs for college. Be as specific as possible. This information is kept strictly confidential and is destroyed after scholarships are awarded. Use a separate sheet as required for this information.
- VI. Provide two letters of recommendation as stated on the application.

Please submit to the mailing address shown on the application or email in PDF format (single combined file) to the email address shown on the application.
